### Why should you join us

Come on board if you enjoy Namibia's natural resources and you want to look after them. The next generations also have the right to see wildlife and experience nature; it is therefore our duty to preserve them.

Wild places and creatures will only survive with humanity's care and aid. A world in which humans and wildlife coexist is desirable, realizable, and necessary.

### Mark with an X what you wish to support in priority:

RESEARCH

LIVING WITH WILDLIFE

AWARENESS

CLEAN TRAVEL
